WHO WE ARE

Our organising Committee consists of a group of hard working, busy administrators and artists who have full creative direction over all our programmes and content.

This is our second seasonal Arts Inc. Newsletter to keep our community informed as to what's happening in the creative arts circle. We want to encourage people in our area to get involved, be creative and promote your work and wares! All funds raised by the organisation go towards creative arts programmes in our area with the primary aim being to support the Pacific Palms and Bungwahl Public Schools arts activities and ongoing education of our youth.

Access to information and all our current programmes are online.

Arts Festival & Youth Art Exhibition

The Annual Pacific Palms Art Festival, now in its 29th year, is a major fundraiser for the Pacific Palms Public School. The Art Festival takes place over 2 weekends with the main Exhibition & Sale held on the June long weekend and the Youth Art Exhibition held the weekend before.

Both weekends were a huge success with record entries for the Youth Art Exhibition, record crowds coming through the doors, and record sales of artworks. Sponsors, artists, and buyers, all commented on the wonderful atmosphere throughout the festival and were enthusiastic about its return following the cancellation of last year's Art Festival due to Covid. The Opening Night was the highlight of the event with delicious curries by Kembali Café, decadent desserts by Nadine the Cake Queen, and a selection of 'Brokenwood Wines', all included.

Great fun was had by all and the Art Festival Committee would like to thank all the sponsors for their generous support, and all the artists for participating in the exhibitions. There were 70 artists with 155 entries in the main Exhibition & Sale over the June long weekend.

The Prize Winners of the main exhibition are:

- Pacific Palms Art Prize Winner (Acquisitive):
Christina Hall "Family" (Acrylic)
- People's Choice Award:
Sandi Lear "A Feather" (Watercolour)

162 young artists entered the Youth Art Exhibition this year with a record number of 255 entries in all. It was great to see such a high standard of artworks and creative talent among our young artists across all sections from both primary & high school students.

**A special thank you to all of our
Judges and Sponsors in 2021.**

This will be another exciting collaboration between the Arts Inc. Committee and a popular local business.

Kasey Shepherd from Frothy Coffee Boatshed has kindly agreed to host The Lake View Gallery - on Smiths. This is a small gallery able to host up to 5-8 smaller to medium sized works, again all for sale. Artist entry fees are yet to be determined and solo exhibitions will also be welcomed. These will be smaller exhibitions rotating every 4 weeks. More about this in the Spring Newsletter as the launch of this new gallery is scheduled for the last Sunday in September in line with Market Day.

This exciting collaboration will place Kasey's business on our Arts Trail and help attract tourists and locals to Frothy Coffee. Joint Curators will be Julie Plasto and Catherine Garrod. Feel free to express your interest to either of these wonderful Artists in order to book future exhibitions if you bump into them. Their contact details will be posted in the Sept. Newsletter.

BEATS FESTIVAL AND ART TRAILS

An exciting new region-wide festival is coming to the MidCoast in October 2021, creating a music, food and arts trail that will traverse the diverse landscapes, unique towns and special offerings of the Barrington Coast.

MidCoast Council's Barrington Coast and Gallery staff is working with the community to deliver the Barrington Coast bEATS Festival and The Tanks Art Trail thanks to the support of the NSW Government's Regional Tourism Bushfire Recovery Grant of \$145,000.

"The month-long bEATS Festival and Art Trail will deliver economic benefits to our region through increased visitation and spend, along with creating more reasons for visitors to extend their stay 'just one more night' and to expand their exploration of our region," said Council's Manager Growth, Economic Development and Tourism, Deb Tuckerman, "and obviously we're hoping COVID will not impact on our plans for October".
